## Immersive Career Experiences : Week 1

### The Design Process

- Learn where designers find inspiration and study the origins of iconic collections
- Get step-by-step guidance on the design process from a professional fashion designer
- Discover how designers bring their visions to life, from drawing board to mannequin

### Become the Fashion Designer

- Meet with a forecasting expert and learn how they analyse the market to predict future trends
- Engage with current predictions and modify your ideas to suit the consumer market
- Construct a 'colour story' that will inform the palette of your collection
- Observe a live sketching demonstration and produce concept sketches of your garments
- Elevate your designs by adding colour and detail to your rough sketches, experimenting with collage and fabric sampling to bolster your creative vision

### The Basics of Making

- Workshops in pattern cutting, draping and sewing
- Create your own bodice block, tailored to your specifications, that can form the template for your own custom clothing creations
- Drape an avant-garde garment using couture techniques
- Learn the basics of sewing in a workshop tailored to your ability level

### Create Your Garment

- Work to a given budget, purchasing the clothing that will form the base of your upcycled look
- Work with designers, tailors and pattern cutters to transform your pieces into an entirely new, custom outfit
- Tailor your work to your ability level with experts to guide you every step of the way

### Building Your Portfolio

- Combine all your work into final boards, exploring concept, development and final pieces
- Receive guided career coaching by industry experts, and understand exactly what universities, internships and job opportunities look for in a stand out portfolio
- Ask your burning questions: take part in a panel Q&A with top designers, stylists, buyers and fashion professionals

## Immersive Career Experiences : Week 2

### Build Your Brand:

- Understand the most pressing issue facing the fashion industry today: sustainability
- Receive your design brief: to build an ethical clothing brand with a unique selling point
- Work with consultants to develop a marketing strategy to launch your brand
- Collaborate to produce a cohesive brand narrative and create an ad campaign
- Prepare the launch of your sustainable company and present your business to potential investors

### The Shoot

- Meet stylists and fashion photographers and discover the creative process behind a fashion shoot
- Style, shoot and model a series of editorial looks based on given themes, using clothing from Harrods and photographing outfits with the aid of experts in a professional central London studio

### Textile Design

- Participate in a series of interactive workshops uncovering the various roles available in textile design
- Explore techniques including knitting, printing and more
- Expert guided tutorials by professionals working in the industry
- Mini crit: receive feedback on your creations, while evaluating each other's work and getting inspired!

### Costume Design

- Character breakdown: understand what makes an iconic costume
- Enter the theatre and tour backstage, seeing behind the curtain of a professional production
- Experience a live performance and create the concept for your assigned character
- Finalise your designs and showcase your ideas to the cast and crew!

### The Fashion Show

- Showcase your projects from across the Summer Experience by hosting your own show at a London Fashion Week venue
- Work collaboratively with your peers to create the ultimate catwalk, considering lighting, seating, music and set design
- Experience the backstage of a show, discovering all the roles involved behind the scenes
- From concept to catwalk: present your pieces to a line up of professional designers and makers, with prizes for top designs
- Invite top Fashion Designers, Stylists, Buyers, Merchandisers and Journalists to your 'after party': a private networking session at the end of the show

## Immersive Career Experiences : 2 Week Premium

### Premium

The Two-Week Premium option includes all the benefits of the first and second weeks plus exclusive evening and weekend excursions and extra career development opportunities. Continue your professional immersion beyond the core programme hours and embark on a London adventure where business meets pleasure.

### Highlights

- Attend a private Gala dinner with top professionals on the river Thames
- Build a stand-out CV and LinkedIn profile, inclusive of professional headshots
- Understand your core strengths and development areas through psychometric testing and personality profiling
- Develop key strategy, teamwork and leadership skills at an escape room
- Be coached by professional athletes and politicians on what it means to be at the top of your game
- PLUS many more unique experiences
