Immersive Career Experiences : Week 1

Pre-Production: Enter the Writers' Room

- Get advice from scriptwriters on how to craft a story worthy of the silver screen
- Work collaboratively with fellow young filmmakers to develop the concept for your story
- Flesh out your characters' motivations, relationships and personal journeys
- Use professional script-writing software to write the script for your first film scene
- Receive live feedback from industry experts

On Set: Producing, Directing and Filming

- Understand the role of a producer: securing locations, building a team and making the film happen
- Step into the shoes of a director: coach professional actors through a scene on a state-of-the-art film set
- Put your videography skills to the test as you film your own movie scene
- Choose the right shots, angles and lighting, and make crucial decisions on set design, lighting, sound, costume, make up and props

Post-Production: The Editing Suite

- Witness a live demonstration of editing by an industry expert with cutting edge software
- Learn professional techniques and apply them to your work
- Edit your scene together with your team making artistic decisions about sound, transition, speed and cuts
- Discover the power of colour grading, sound, composition, foley artistry and more
- Transform your raw footage into a scene suitable for a slick motion picture

Bespoke Feedback and Career Coaching

- Receive personal feedback on your work from various film professionals
- University or Film School: Top career advice from recent industry graduates on the best choice for you
- Explore a wide range of industry roles that make your favourite pieces of media a reality
- Network with like-minded peers with a passion for filmmaking

Immersive Career Experiences : Week 2

Plan and Shoot a Music Video

- Develop your skills in a different medium as you are hired to shoot a music video
- Work collaboratively with your peers to decide on a song and craft your story
- Plan a comprehensive storyboard and shot list, then turn them into polished shots
- Focus on cuts, transitions, copy, sound, and colour in order to transform your raw footage into an industry-standard music video
- Premiere your video to industry professionals and present the reasoning behind your creative decisions
- Get live feedback from the experts and take on board their advice

Plan and Shoot a Music Video

- Develop your skills in a different medium as you are hired to shoot a music video
- Work collaboratively with your peers to decide on a song and craft your story
- Plan a comprehensive storyboard and shot list, then turn them into polished shots
- Focus on cuts, transitions, copy, sound, and colour in order to transform your raw footage into an industry-standard music video
- Premiere your video to industry professionals and present the reasoning behind your creative decisions
- Get live feedback from the experts and take on board their advice

Short Form Content and Virtual Production

- Advertisement and short form content as a stepping stone to your career
- Create your very own ad for a fictitious product
- Understand the importance of market research and how it can shape your project
- Witness the revolutionary technology behind virtual production stages
- Plan, shoot and edit your very own short scene using virtual production technology
- Live Q&A with the team of technicians behind the scenes

The Young Filmmaker Festival

- From Short to Silver Screen: compete for awards at our exclusive film festival!
- Experience your own work on the big screen in a real-life cinema
- Watch a selection of films from the Summer Experience and unpick the creative choices made
- Critically reflect upon what you have seen and use this as a frame of reference for your later career
- Compete against your peers for top prizes at the festival awards ceremony

Networking Event With Top Filmmakers

- Take part in a private networking session with top filmmakers
- Put your newfound knowledge to the test
- Have your burning questions answered by those in the know
- Receive valuable advice from experts in the field

Immersive Career Experiences : 2 Week Premium

Premium

The Two-Week Premium option includes all the benefits of the first and second weeks plus exclusive evening and weekend excursions and extra career development opportunities. Continue your professional immersion beyond the core programme hours and embark on a London adventure where business meets pleasure.

Highlights

- Attend a private Gala dinner with top professionals on the river Thames
- Build a stand-out CV and LinkedIn profile, inclusive of professional headshots
- Understand your core strengths and development areas through psychometric testing and personality profiling
- Develop key strategy, teamwork and leadership skills at an escape room
- Be coached by professional athletes and politicians on what it means to be at the top of your game
- PLUS many more unique experiences
