THE ULTIMATE WORK EXPERIENCE

.....

Since 2012, InvestIN has been equipping students from around the world with an immersive experience of their dream career. We offer teenagers the opportunity to gain hands-on, practical industry experience alongside leading professionals, so that they can choose the right career for them and maximise their potential.

Co-Founders Hitesh Chowdhry and Shameer Thobhani are former professionals in corporate law and investment banking respectively. They were inspired by the opportunity to provide students with a realistic insight into their own fields, by equipping young people with the insider knowledge they both wished they'd had when they were at school.

Based in London, we have welcomed over 70,000 students from across the UK and 100+ other countries. We are the go-to global provider, delivering fully practical and professional-led career experiences for school students and we are committed to fostering career confidence in every student who joins us.

World-Class Career Preparation

InvestIN delivers immersive work experience programmes in London for students aged 15-18. With 15 competitive careers to choose from, each programme is delivered by accomplished industry experts to equip students with a 360-degree insight into their respective fields.

Gain hands-on experience with top professionals

Explore real workplaces and prestigious professional venues

Meet like-minded students from all around the world

Experience life on campus at a top UK university & explore London

Receive a certificate & industry reference letter to boost applications

Achieve UCAS points, by having your work assessed to receive our exclusive Level 3 Award in Work Experience

For advanced EFL students, enhance your oral and written skills in business-level English!

Each programme seeks to equip students with what we consider to be the four pillars of career success

Why choose InvestIN?

Life beyond education can feel daunting, as students are expected to make big decisions at a young age that will inevitably shape their career trajectories.

By coming on an InvestIN programme, we aim to empower students to:

Make the right career decisions

By experiencing an industry first-hand and gaining exposure to real professionals, students can better determine whether an industry aligns with their goals and skills.

Boost their chances of breaking into a competitive field

By developing key employability skills, as well as gaining certification, UCAS points and a qualification in Work Experience, students can boost their university applications and CVs.

Our Expertise

Learn from our community of over **1,000 industry experts** built over a decade of delivering immersive career experiences to **70,000 students**.

Our Experiential Approach

Choose from **15 competitive careers** and gain up to **65 hours of contact time** with professionals in a truly practical environment outside of a classroom.

Our Accreditations & Partnerships

We're accredited by the **British Accreditation Council**, as well as listed as approved activity providers with **UCAS** and for the **Residential aspect of the Duke of Edinburgh Gold Award**

Our Programmes

Available in 15 careers for ages 15-18

Choose Your Programme

Weekend Programme

1-day / Dates in November & March
London or Live Online | Non-Residential

Our Locations

On our programmes, we seek to create an environment that empowers young people to feel and act like young professionals.

Based on campus at the prestigious University College London (UCL), InvestIN provides teenagers with both an experience of life beyond school, as well as world-class career preparation in central London. Our

Summer Experiences feature exclusive visits and experience days to iconic industry landmarks, such as business headquarters and training facilities.

Highlights include:

- ENGINEER** — Take apart a petrol engine at the largest collection of supercars in the UK
- PSYCHOLOGIST** — Visit a Premier League stadium to practise innovative psychological techniques used to coach elite athletes
- LAWYER** — Argue a human rights case in the UK Supreme Courts of Justice
- DOCTOR** — Visit a London training hospital to participate in a simulated ward round to treat patients
- BANKER** — Trade the stock market live in the finance district

Our Professionals

On our programmes, industry professionals coach our students, so that they can gain insider knowledge and experience what it's really like to work in their dream career, from those who live and breathe it.

Key qualities of our programme professionals:

- Passionate and inspirational speakers
- Encouraging and supportive programme facilitators
- Variety in the stage of their career and the pathway taken to break in
- Highly knowledgeable and experienced in their fields
- Wide-ranging backgrounds and specialisms

View more of our professionals

On our programmes, students will work alongside our industry experts, who will guide them through immersive career simulations and site visits to key industry locations, so that students can gain hands-on experience of the work professionals typically carry out on a day-to-day basis. Students will also have ample opportunity to get their burning questions answered, by attending live Q&A panels and private networking sessions with our professionals.

Summer Experience students can choose to book our residential package, providing a unique opportunity to experience life on-campus in halls of residence at a top university. Typically, students stay at the Garden Halls or College Halls, based in the heart of Bloomsbury, London

Residential — Package

- Private, ensuite rooms in university halls of residence
- Breakfast & Dinner
- Evening & weekend activities
- 24/7 safeguarding & pastoral support, including a nominated Pastoral & Activity Leader (PAL)

**Students attending our 2-Week Programme Summer Experience will attend enhanced professional and cultural activities in the evening and over the weekend*

Meals

Breakfast (7:30-9:00) and Dinner (17.30-19.30) are buffet service at the accommodation canteen, featuring a wide selection of hot & cold food, with tea, coffee & juice included.

For lunch, students can choose from a wide range of eateries near to their programme location on any given day.

Snacks are available in the accommodation for students to help themselves, such as cereal bars, fruit and crisps.

Facilities & Entertainment

The accommodation sites feature comfortable and spacious communal areas for students to enjoy outside of programme hours, so they can unwind and socialize with their peers.

There is a cinema screening room, a games room, courtyards and sports equipment available. Each evening, organised activities are available for students to attend, such as movie nights, board games, karaoke and sports in the park.
